

Hybrid Work Dialogue

1. Gap Fill Exercise

Miley: Hey Austin, how are you finding the hybrid work setup? I feel like the 1) _____ has really boosted my 2) _____.

Austin: Absolutely, Miley! I've also noticed it's better for my 3) _____. Not having to 4) _____ every day saves so much time and lowers my 5) _____.

Miley: That's great to hear! And I think 6) _____ our in-office days for team 7) _____ has improved our 8) _____ and work quality.

Austin: So true. It encourages 9) _____ since we're combining the best of both worlds. Plus, working from home, a few days a week, really helps us balance, our work and personal lives better.

Miley: Definitely. It's all about finding the right mix. And how do you think it has affected team's job 10) _____?

Austin: From what I've seen, satisfaction is up. The key seems to be communication and ensuring everyone's on the same page. What's your take?

Miley: Agreed. It allows for a more 11) _____ approach to work, which I believe is 12) _____ for long term satisfaction and productivity.

Austin: Precisely, and the flexibility to 13) _____ our work environment depending on our tasks is 14) _____.

Miley: Hmmm.....excellent. Let's continue to build on this hybrid model to to ensure it meets everyone's needs. It just might be a 15) _____, for how we work and live!
